**I. Read the passage given below and answer the following questions:**

Jem was a tailor. But he wanted to be a soldier. One morning, some flies sat on his lunch. There were ten of them. This made Jem very angry and he threw a cloth rag over them. Seven of them died. Jem was very pleased. "I killed seven devils at a blow" he said to his friends. How could they know he had killed only flies? (Para 1)

One day the king called for Jem and said to him, "I heard that you killed seven devils at a blow. A wicked giant has come to our city. Only you can kill him". "I will, O King!" said Jem. He caught a bird and put it in one of his pockets. He put some cheese in another. Then he set off to find the giant. He found the giant resting in a cave. He told the giant to give proof of his strength. "Hah! I can squeeze water out of stone. Can you?" He picked up a small stone and squeezed it hard. Water ran through his fingers. "That's easy," said Jem, taking the cheese out of his pocket. He squeezed it and water fell on the grass. (Para 2)

The giant stood up. "Ah! But can you do this?" He threw a stone high in the air; it took thirty minutes to fall to the ground. Jem took the bird out of his pocket. He threw it high into the sky. The giant waited for it to fall. But the bird had flown away. The giant got scared of Jem and ran away. (Para 3)
