

DELHI PUBLIC SCHOOL NERUL, NAVI MUMBAI

"Truth, crushed to earth, shall rise again." – William Cullen Bryant

These timeless words echo the spirit with which we celebrate the resounding success of our students in the AISSCE & AISSE 2024-2025 examinations. Their stellar achievements are a testament to resilience, dedication, and the pursuit of excellence — values that have long defined the ethos of our institution.

On behalf of the entire DPS Navi Mumbai fraternity, I extend my heartfelt congratulations to our young achievers. Your results speak volumes of your perseverance and intellect, and we are immensely proud of each one of you.

In moments of triumph, it becomes even more important to acknowledge those who walk alongside us. I am deeply grateful to DPSS & our dedicated mentors whose unwavering commitment continues to shape futures with passion and purpose. I also extend sincere gratitude to our ever-supportive management, resilient students, and trusting parents — each of you has fortified our resolve with your steadfast belief.

Even amidst challenges and moments of uncertainty, your faith in our vision and values has remained unshaken. It is this enduring trust that inspires us to rise with clarity and conviction, and continue nurturing excellence with integrity.

We are proud to share that DPS Navi Mumbai has once again emerged as the #1 DPS School, among all schools under the banner of DPSS, with a Class 12 average of 89.87% and a Class 10 average of 90.04% — a pathbreaking achievement in the midst of all the hurdles thrown our way. This milestone stands as a glowing affirmation of our collective strength and the high standards we continue to uphold.

Let this moment remind us that no force can dim the light of a community united in purpose and bound by trust.

Dr. H. S. Vashistha

90.68% Class 12 students from state pass CBSE

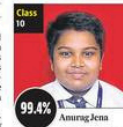

Niraj Pandit

niraj.pandit@hindustantimes.com

MUMBAI: Maharashtra recorded a pass percentage of 90.68% in the Class 12 board examinations and 96.61% in the Class 10 boards held by the Central Board of Secondary Education (CBSE). The results were announced on Tuesday.

A total of 1,17,531 students registered for the Class 10 exams, of which 1,17,237 students appeared. The number of students who passed were 1,13,257. The pass percentage for girls and boys stood at 97.34% and 96.68% respectively.

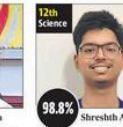

In the Class 12 exams, 34,874 students registered, of which 34,703 appeared and 31,468 passed. The pass percentage for girls and boys stood at 92.75% and 88.89% respectively. The examination was conducted in

Class 10
99.4% Anurag Jena

Class 12 Commerce
99% Nysa D'Cunha

Class 12 Science
98.8% Shreshth Agarwal

Class 12 Arts
98.6% Aishwarya Sinha

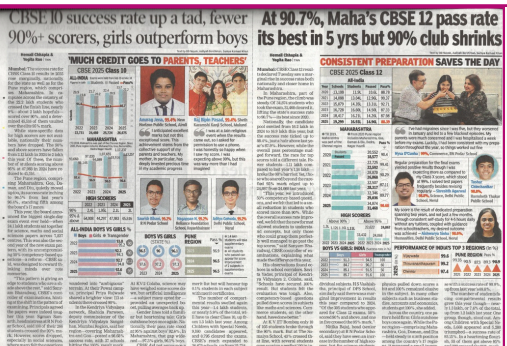

322 centres for the students of 561 schools across Maharashtra. Over 20% of students scored more than 90% in both examinations. Rajeev Kumar Garg, city coordinator for CBSE schools, said the overall result was impressive despite changing the question pattern from memorisation to competitiveness. "CBSE also changed the teaching methodology and trained teachers this year," he said. "These

changes can be seen in the results." Garg added that an analysis showed that the children had also performed very well in skill subjects. "In conformity with the National Education Policy, CBSE initiated skill subjects like IT, introduction to financial markets and AI," he said. "In the last few years, children have been responding enthusiastically to these subjects."

Students from Delhi Public School (DPS), Nerul, emerged among the high scorers in Mumbai. Aishwarya Sinha, a humanities student, who scored 98.6% in Class 12, is now preparing for the Common University Entrance Test (CUET) to study history. Inspired by her father, she decided to pursue humanities after Class 10 in which she scored 98%. "My father is the Inspector-General in Konkani

in the JEE mains as well." Agarwal hopes to pursue a career in computer science. Nysa D'Cunha from B N Podar School, Santacruz, who scored 99% in the commerce stream, said she had focused on concept-based study. "Every day I used to complete notes on a single page which helped me revise the subject at the last minute," she said. "I love economics and want to pursue a career in it. I am appearing for CUET to get admission to a central university."

Anurag Jena from New Horizon Public School, Anoli, attributed his 99.4% in the Class 10 boards to his hard work and teachers' and parents' dedication. "I am preparing for JEE to study engineering," he said. "After that, I have decided to pursue an MBA and become a marketing professional."

In poor health, CBSE 12 student scores 88.6%

Navi Mumbai: Nerul's 18-year-old Vriddhi

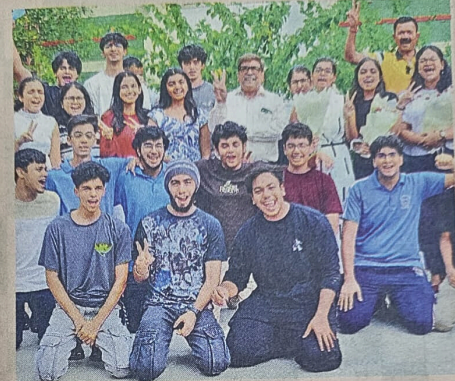

Kabra from Delhi Public School has secured 88.6% in CBSE Class 12 (science) exams, despite facing health challenges.

Vriddhi underwent a surgery for gallbladder stones removal in 2024. She has also been suffering from recurring palpitations, breathing issues, and complications from a subtotal gastrectomy following a SPEN tumour operation in 2020. Her medical condition limited her school attendance, yet her teachers provided vital support in completing the curriculum.

Vriddhi scored 97 in both English and Biology, her favourite subjects. She aspires to pursue a medical career, with pharmacy as an alternative option if not MBBS. She said her performance could have matched her Class 10 score of 96% had her health been better. Beyond academics, Vriddhi is a Bharatanatyam dancer with 7 years of training. "I am also good at drawing. Due to health reasons, I am not practising dance regularly," she said. —B N Nayak

dividual subjects. HS Vashishtha, principal of DPS School, similarly said there was a marginal improvement in results this year compared to 2024. "Of the 305 students who appeared for Class 12 exams, 58% scored 90% and above, and one in five crossed the 95% mark."

शाळांचे १००% यश

डीपीएसच्या बारावीच्या विद्यार्थ्यांनी केली कमाल

Trailblazers of Tomorrow: DPSNM's JEE Mains 2025 Success

Delhi Public School Navi Mumbai takes immense pride in celebrating the outstanding success of 40 students who have qualified the JEE Mains 2025 examination. This remarkable achievement is a reflection of their perseverance, academic rigour, and unwavering commitment to excellence—hallmarks of the DPSNM ethos. These young scholars have not only set a benchmark for their peers but have also added another glorious chapter to the school's legacy of academic distinction. As they prepare to embark on the next stage of their academic journey, the DPSNM fraternity extends its heartfelt congratulations and best wishes for continued success.

Designing Dreams: DPS Navi Mumbai's B.Arch Achievers Make Their Mark

Delhi Public School Navi Mumbai proudly celebrates the exceptional achievement of 7 students who have qualified the JEE Mains 2025 (B.Arch) examination. Their success stands as a testament to the creative brilliance, meticulous preparation, and determination that define the spirit of DPSNM. These budding architects have demonstrated not only academic excellence but also a flair for design thinking and innovation—skills that will shape the skylines of tomorrow. The entire DPSNM community congratulates these young visionaries and wishes them continued success as they lay the foundation for a promising future in the world of architecture.

Triumph Rooted in Truth: A Celebration of Excellence and Enduring Trust

DPS Navi Mumbai stands tall with pride and gratitude as we celebrate the stellar accomplishments of our students in the AISSEE and AISSE 2024–2025 examinations. These exceptional results are not merely academic milestones—they are living proof of the values that define us: perseverance, integrity, and the relentless pursuit of excellence. To our students—your achievements are richly deserved, and your journey serves as a beacon of inspiration for the entire school community.

We owe a profound debt of gratitude to our parent community. Your steadfast commitment, quiet strength, and unwavering belief in our mission have been the unseen force powering this success. In moments that called for patience and perspective, you stood by us—not just as supporters, but as true partners in the educational journey. Your trust has fortified our resolve and deepened our commitment to nurturing every child with care, dignity, and purpose.

These results are more than just numbers—they resonate deeply with the vision of DPS Navi Mumbai: to create empowered individuals who will make a meaningful contribution to the world. They reflect a learning culture where values and knowledge converge, where character is as important as competence, and where excellence is not just achieved—but embodied.

This is not merely a celebration of academic achievement—it is a tribute to a community united by shared ideals and guided by a common dream. It reaffirms our belief that when students, educators, and parents walk hand in hand, there is no summit too distant, no aspiration too high.

To our students and parents—thank you for being the heart of our journey, the strength behind our stride, and the soul of our success. May we continue to walk hand in hand, guided by truth, fueled by trust, and ever committed to placing Service before Self in all that we do.

Congratulations!
