- Next Annual General Body PTA Meeting was scheduled on 3.10.2026 at 8:30 a.m. Invitation was once again extended to all the Members of PTA from class I to XII as per the Maharashtra Educational Institutions Regulation Act, 2011. But once again required quorum was not met out.

The Principal/Chairman PTA, Ms. Tejaswini Katdare welcomed all the members of PTA. She also thanked them for their kind support in the overall development of the school. She briefed the members about the reason behind the adjournment of the Annual General Meeting PTA dated 12.09.2026 due to non-meeting of the quorum. Even on 3.10.2026 meeting stood cancelled in absence of requisite quorum. She also apprised the members of PTA about the selection procedure through draw of lottery for the formation of Executive Committee PTA 2026-2027. However, informal discussion took place that started at 9:00 a.m. Thereafter, the agenda points were taken up as a part of discussion: -

- **Board results of Class X & XII and achievements of students in various entrance exams**

The Principal apprised about the outstanding results of Class X and XII Board Examinations 2025-26. The achievements of students in various competitive entrance examinations like JEE, NEET, CLAT etc. were also shared. Parents congratulated the school for the consistent and outstanding results.

- **Discussion on the Teaching-learning systems for the academic session 2026-2027**

The Principal elaborated that in the session 2025-26, the focus of the teaching-learning system has been on competency development, thorough conceptual clarity, and emphasis on understanding and critical thinking rather than mere rote learning. She further informed that internal evaluations have been revamped on the lines of competitive examinations in Primary and Middle Schools to acclimatize students to the same. Parents appreciated the decision and foresight in the implementation.

- **Sports, co-curricular activities and development of facilities**

The Principal discussed the various sports and co-curricular activities conducted in the school keeping in mind the all-round development of students. She informed about the upgradation and development of facilities for the same. Parents concurred on the importance of the same and encouraged that improved participation and individualized training in various games also be undertaken. The Principal assured that efforts would be taken to ensure the same.

- **Update about the Infrastructural developments in the school**

The Principal apprised parents about the major infrastructural developments completed in the school and informed that only the completion of the refurbishment of the auditorium remained. Parents voiced their appreciation for all the improvements made and lauded the efforts of the school in ensuring neat and excellent facilities for its students.

- **Safety and security measures adopted**

The Principal informed parents about the various safety and security measures adopted by the school, the newest being a fully equipped ambulance for the school along with dedicated staff trained in its use for any emergency.

- **Information on the Approved Fee Structure:**

The Chairman of PTA informed the members of PTA that the fees will be revised by 15% w.e.f. 1 April 2027 and will continue for two academic sessions i.e till March 2029 as discussed and decided by the Executive Committee PTA 2026-2027 in accordance to the Maharashtra Educational Institutions (Regulation of fee) Act 2011.

- **Any other point/s with the permission of the Chair:**

The House was requested to share any positive and constructive feedback for overall growth of the institution.

- A parent enquired about the school's plans to integrate Artificial Intelligence (AI) into classroom learning. The Principal informed the gathering that the school had already begun taking steps in this direction, with Robotics classes having been introduced as an optional subject/activity. It was further indicated that the school would continue to explore appropriate avenues for integrating emerging technologies into the learning process in keeping with the vision of NEP 2020 and the changing educational landscape.
- Parents unanimously voiced their appreciation for the school for all the efforts taken to provide care, quality education and a wholesome and happy environment for its students.

The interaction concluded on a positive and constructive note, with the school acknowledging the queries and suggestions shared by the parents and reiterating its commitment to the holistic development, safety, well-being and future readiness of its students. The meeting concluded with a vote of thanks to all the parents present for their participation and presence.
